Re: Lease U-09485  
Grand County, Utah

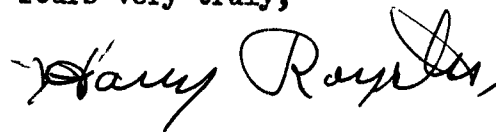

Dear Mr. Feight:

I am enclosing two "Notice of Intention to Drill" forms on my Government No. 1-A Well, Grand County, Utah, located North of the Cisco Dome. I do not have any State of Utah forms and am assuming that these I have used will be satisfactory to you. If not, kindly let me know and I will comply with your requirements.

The depths given for the Dakota, Morrison, Salt Wash and Entrada are approximate depths as I do not know exactly where we will encounter them.

I am making a new bond, in the amount of \$25,000.00, as required by law; and, as well as I remember, this is all that is required of me. However, if I am in error, kindly advice me, at your earliest convenience, so I may comply with the laws of the State of Utah. I will then plan to move in and drill this well with a rotary rig.

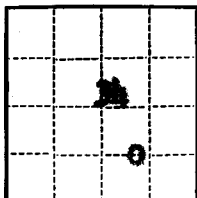

Yours very truly,

HARRY ROYSTER
